12. RATES & PAYMENT:

a. All charges will be in accordance with BlueCosmo's current rate schedule for the selected rate plan at the time of use. BlueCosmo reserves the right to modify and/or add rates and charges from time to time, including loyalty rewards, without prior notice to the Customer.

b. The Customer is charged a pre-payment at the time their order is shipped which includes the first month's subscription charge, any hardware charges and applicable taxes. BlueCosmo bills monthly subscription fees in advance, therefore the Customer's first invoice will reflect charges for two months of service - the current month's subscription, plus the advance charge for the next month's subscription, as well as any hardware charges and applicable taxes. The pre-payment charged at the time of shipping will be deducted from the first invoice,

reflecting a balance due of one month's service.

c. All applicable taxes shall be added to the usage and rental/purchase price, unless the Customer provides an executed resale exemption certificate to establish exempt status as a reseller of Equipment and/or Services which meets and satisfies the requirements of the levying tax authority in question.

d. Calls may be billed several months after they were made due to delays in receiving call records from partner networks.

e. All credit card payments will be processed on or after the 5th day of every month. If the Customer has furnished a credit card number for the payment of charges under this Agreement, then the Customer represents that he or she is an authorized signer on the account of such credit card.

f. For Customers with payment terms other than credit cards, a late payment charge of 1.5% interest per month, or 18% per year, is applicable against all overdue balances. BlueCosmo reserves the right to suspend or terminate your service for non-payment of your invoice, including unbilled usage.

g. The Customer shall inform BlueCosmo of any disputes or disagreements with invoiced charges within 30 days of the date of invoice. Thereafter, the Customer shall be deemed to have waived its right to dispute charges. A copy of the invoice outlining all charges shall be mailed or made available online to the Customer. In addition, the Customer agrees to assume personal responsibility for all payments due in consideration of this Agreement.

h. Should customers have concerns about their service performance, the customer must formally contact BlueCosmo Technical Support or Customer Care regarding the issue during their travels. In situations where the service is deemed not to have worked during travels, BlueCosmo will be unable to provide compensation, if BlueCosmo was not given the opportunity to troubleshoot and resolve issues during the service period.

13. LOSS/THEFT/FRAUD: The Customer must notify BlueCosmo immediately regarding lost, stolen, or damaged Equipment / SIM Card if the Customer

suspects or should reasonably suspect that the Equipment / SIM Card is being used in an unlawful or fraudulent manner. The Customer is responsible for all charges incurred up until the time of said notification. BlueCosmo requires evidence of alleged loss or theft in the form of a police report. Upon said notification, or if BlueCosmo suspects any wrongdoing, BlueCosmo will terminate or suspend the Services. The Customer is prohibited from utilizing BlueCosmo's services to compromise the security of or tamper with BlueCosmo's system of resources or accounts on any of BlueCosmo's computers, routers, terminal servers, modems, or any other equipment at BlueCosmo or any other site. Use or distribution of tools designed for compromising security is prohibited. The Customer agrees to provide reasonable co-operation in any investigation of unlawful use of Services or Equipment. If Loss/Theft/Damage Protection is not purchased, the customer will be charged the full replacement value for any missing or damaged equipment. All said charges will be applied to credit card on file immediately.

14. DAMAGE/EVALUATION/REPAIR: If a rental satellite phone, accessories, or satellite broadband internet terminal is returned not working, or damaged in any way, this warrants the equipment to be sent to an outside service and repair center to be evaluated for damage, water damage, or possible damage. After evaluation has been done, and any said damages that have been judged as user error/ treated abusively will then be charged appropriately for either repairs or for the entire replacement value of the equipment/accessories. Evaluations can be charged up to \$130, and repair labor rates are \$100 per hour. All parts, or software needed for repair are charged additionally along with the labor rate. If any equipment has been returned in a dirty state, then it is sent to an outside service and repair center for cleaning. Cleanings are \$50. Any equipment that has been judged as water damaged will be immediately charged for the full replacement cost of equipment. Any completely damaged equipment can be received by customer at request as long as all charges have been paid in full. If customer requests, and receives damaged

equipment, they are then stating that they agree to said damages, and all charges therein.

15. SIM CARDS: Information contained in any SIM card(s) (the "Card") furnished to the Customer in a rental order is the property of BlueCosmo. The Customer agrees not to interfere with the information contained in the Card and shall promptly return the Card to BlueCosmo upon termination of this Agreement. BlueCosmo permits the use of multiple Cards per phone in pooled corporate environments.

16. CANCELLATION OF ORDERS: An administration fee may apply if an order is cancelled; any shipping charges incurred will be charged to the customer. There is no refund for prepaid cards. BlueCosmo is not responsible for recipient not being available to receive delivery, incorrect addresses, phone numbers, or insufficient delivery information placed on the initial order.

Equipment repairs performed by the original manufacturer are subject to the warranty terms of the manufacturer.
