Our Responsibility:

Plan complements, but does not replace, the 12-month manufacturer’s warranty. During the term of the manufacturer’s warranty, Plan provides additional benefits for which the manufacturer does not provide coverage. Plan also extends the same warranties as the manufacturer for an additional 24 months after the standard manufacturer’s 12-month warranty ends. Additional benefits are listed in these Terms and Conditions.

Coverage:

Plan covers manufacturer’s defects in materials and workmanship that reveal themselves in normal usage. Services performed under the plan will consist of labor and the replacement of parts necessary to restore your product to normal operating condition. At our option, replacement parts may be new,

refurbished or non-original manufacturer's parts that perform to the manufacturer's specifications for the product. We may also replace your product with a refurbished product of the same model.

Repair Service:

All Plan repairs will be performed at an authorized service center and will require that the product be returned to BlueCosmo in compliance with our standard Return Merchandise Authorization (RMA) process. To arrange a repair, please contact BlueCosmo Technical Support by calling 1-877-258-3496 or by emailing; support@bluecosmo.com. We will attempt to diagnose the issue. If applicable, you are responsible for the cost of shipping the product to BlueCosmo, and BlueCosmo is responsible for the cost of returning the product/replacement device to you.

Accessory Coverage:

Plan provides coverage for accessories and peripheral devices ("Accessories") that come with your product in the original manufacturer's package. Examples of accessories include charging devices, auxiliary antenna and headsets. If the fault diagnosis determines the problem is related to an accessory, then a replacement may be mailed to you. We may request that you first ship the defective accessory to BlueCosmo. Batteries are excluded.

No Lemon Policy:

During the term of the Plan, if we repair or replace (with a refurbished unit) your product three (3) times, and the product then requires a fourth repair, we will replace it with a new product of similar features and functionality, or issue a refund for the current replacement value, not to exceed the original purchase price, at our discretion. One service request number, requiring functional part(s) repair/replacement is the equivalent of one repair. You must return the product and invoice to us. The Plan will immediately be deemed fulfilled and will terminate on the date that we either replace your product or issue a refund.

Replacement Guarantee:

We promise to ship out a repaired or refurbished product within 3-5 business days of receiving your defective product. If a repair takes us longer than 15 business days to complete, we will replace it with a new or refurbished product of similar features and functionality, or issue a refund for the current replacement value, not to exceed the original purchase price at our discretion. The 15-day service period begins when the product arrives at BlueCosmo and ends when we ship the product back to you. If we replace your product with new product, the Plan will immediately be deemed fulfilled and will terminate on the date that we either replace your product or issue a refund.

Firmware Support:

Plan provides coverage for firmware support including updates and/or upgrades. Firmware support can include over the phone technical support or "on our premises" support at our sole discretion. Should it be necessary to send your product to us for a firmware update/upgrade, you are responsible for the cost of shipping the product to BlueCosmo, and BlueCosmo is responsible for the cost of returning the device to you.
